Freezer Treatment Bag Kit (IL-6202-5)

Product Description

Set of 5 reusable Freezer Treatment Bags with a zip-top closure. Metalized polyethylene freezer bag helps ensure a quick freeze.

5 large size (25" x 19") bags with a capacity of 3 large sweaters each. Instruction sheet included.

Features and Benefits

Clothes moth larvae and eggs can be killed with long exposure to freezing temperatures. Items that you wish to freeze can be placed in Freezer Treatment Bags. The bag should be placed in the freezer for a minimum of 7 days.

How This Product Can Help You

Save money on dry cleaning by treating garments or objects with this non-toxic, do-it-yourself treatment.

Instructions

1. Place garments in the bag.
2. Carefully close zip-lock seal.
3. Place bag in the freezer.

Shipping Information

Online customers can choose their shipping options at checkout. Orders placed before 3pm EST typically get processed that day. If placed after 3pm EST, your order will be processed the next business day. Orders are shipped Monday-Friday.
